WHEN YOU KNOW WHAT FITS YOU

Once you've come to the point in life where you know what you want, you might want this car. With its compact dimensions paired with a bold design language, the new ŠKODA KAMIQ combines understatement with a lot of self-confidence. A perfect car that fits all your needs in the city – and into most parking spaces.

The KAMIQ also offers abundant technologies uncommon for the compact city crossover. Advanced assistance systems and a new generation of infotainment mean you can stay safe without compromising on fun, on every journey.

That's Simply Clever. That's ŠKODA.

EXTERIOR DESIGN

DESIGN THAT LEADS, NOT FOLLOWS

He's got the look: the KAMIQ is the perfect mix of robustness and dynamic shapes defined by the ŠKODA design language. It is the first ŠKODA crossover.

PANORAMIC ROOF

To add a more individual signature to daily driving, the KAMIQ can be equipped with the optional black panoramic roof.

**BECAUSE YOU DON'T
FOLLOW OTHERS**

**LIGHT
DESIGN**

TREND-PROOF BEAUTY

Light doesn't just illuminate. It inspires. The unique headlamps and slim long rear lights make the car instantly recognisable, representing a perfect blend of Czech crystal tradition and modern technology.

FULL LED REAR LIGHTS

The KAMIQ features horizontally designed rear lights where the C-shaped illumination, typical of the ŠKODA family, has been updated with a modern twist. This original light signature is accompanied by perfect functionality. The top-end option comes with full LED rear lights, which include animated turn indicators.

INTERIOR DESIGN
